

# Yale Surgical Society

## Dues Notice for 2006

**Annual Membership Dues \$50.00 \_\_\_\_\_**

(Voluntary for retired members over 65)

or

**Lifetime membership \$500.00 \_\_\_\_\_**

*Your dues, made payable to the Yale Surgical Society, are the organization's sole source of operating dollars. In addition, funds thus generated enable the Society to recognize former residents by displaying plaques with their names on the "wall of honor" in the Yale Department of Surgery. Our dues also help to defray expenses of guest lecturers and honorees at the annual reunion. With the hope that the record number of dues paying members set in 2005 will be exceeded this year, we are planning a program that will subsidize educational travel for the current residents.*

*John E. Fenn, M.D.  
Treasurer, YSS*

Contributions to the Sam Harvey Fund will also be received with gratitude. This income supports a cash gift and the awarding of a plaque to the senior resident in surgery or a surgery specialty deemed by their colleagues to be most outstanding. Your kindness in providing a separate check for this donation, payable to the Sam Harvey Fund, will be appreciated. Enclosed for your convenience is an envelope addressed to Yale Surgical Society, Department of Surgery – CB 228, 20 York Street, New Haven, CT 06504.
