

CURRICULUM VITAE

Amy L. Friedman, M.D., F.A.C.S.

Assistant Professor of Surgery
Section of Organ Transplantation and Immunology
Department of Surgery
Yale University School of Medicine
P. O. Box 208062
New Haven, Connecticut 06520-8062
(203) 785-2565
(203) 785-7162, fax
amy.friedman@yale.edu

EDUCATION

1975-1979 A.B., Biology, Princeton University, New Jersey
1979-1983 M.D., State University of New York
 Downstate Medical Center, New York

POSTGRADUATE

1983-1984 Intern in General Surgery
 Downstate Medical Center, Brooklyn, New York
1984-1989 Resident in General Surgery
 Downstate Medical Center, Brooklyn, New York
1985-1987 Surgical Research Fellow
 Downstate Medical Center, Brooklyn, New York
1989-1990 Chief Resident in General Surgery
 (SUNY) Health Science Center, Brooklyn, New York
1990-1992 Transplant Fellow
 Hospital of the University of Pennsylvania, Philadelphia, Pennsylvania

ACADEMIC APPOINTMENTS

1983-1989 Assistant Instructor in Surgery
 (SUNY) Health Science Center, Brooklyn, New York
1989-1990 Instructor in Surgery
 (SUNY) Health Science Center, Brooklyn, New York
1990-1992 Instructor in Surgery
 Hospital of the University of Pennsylvania, Philadelphia, Pennsylvania
1992-1994 Assistant Professor of Surgery, School of Medicine
 University of Pennsylvania, Philadelphia, Pennsylvania
1994-Present Assistant Professor of Surgery, School of Medicine
 Yale University School of Medicine, New Haven, Connecticut

HOSPITAL APPOINTMENTS

1993-1994	Attending Physician Hospital of the University of Pennsylvania, Philadelphia
1993-1994	University Associate The Children's Hospital of Philadelphia, Pennsylvania
1994-Present	Attending Physician Yale-New Haven Hospital, New Haven, Connecticut
1994-Present	Staff Physician Department of Veterans Affairs Medical Center West Haven, Connecticut

LICENSURE

1984	New York #162856-1
1992	Pennsylvania #MD-047040-L
1994	Connecticut #033628

CERTIFICATION

1984	Diplomate, National Board of Medical Examiners
1991	American Board of Surgery
2000	American Board of Surgery (Recertification)

PROFESSIONAL &
SCIENTIFIC SOCIETIES

American Association of Kidney Patients
American College of Surgeons
American Medical Association
American Medical Women's Association
American Society for Artificial Internal Organs
American Society for Transplant Physicians
American Society for Transplant Surgeons
American Society of Transplantation
Association for Academic Surgery
Association of Women Surgeons
Delaware Valley Transplant Society
International College of Surgeons
International Liver Transplantation Society
New York Academy of Sciences
Pennsylvania Medical Society
Philadelphia County Medical Society
Ravdin-Rhoads Surgical Society
Society of Critical Care Medicine
The Transplantation Society
United Network of Organ Sharing (UNOS)

OFFICES IN
PROFESSIONAL SOCIETIES

1993-1994	Pennsylvania State Director American Medical Women's Association
1993-1994	Delegate, Young Physician's Section Pennsylvania Medical Society
1994-1995	Executive Council Member Association for Academic Surgery
1994-1995	Education Committee Member American Society of Transplant Surgeons
1994-Present	Medical Review Board Member End Stage Renal Disease Network of New England
1994-1995	Emergency Response Team International College of Surgeons
1994-Present	State Director of Connecticut American Medical Women's Association
1995-Present	Editorial Board Organ Transplantation and Donation home page (Transweb) World Wide Web
1995-Present	Program Committee End Stage Renal Disease Network of New England
1997	Transplantation Section Editor American Society for Artificial Internal Organs Journal
1997	Program Committee, American Society for Artificial Internal Organs
1997-Present	Board of Directors National Kidney Foundation of Connecticut
2000	Board of Trustees ASAIO
2000	Board of Editors GASNet

HONORS AND AWARDS

2002	United States Department of Commerce. National Institute of Standards and Technology. Malcolm Baldrige National Quality Award. Member – Board of Examiners.
------	---

CONSULTANT

1992-1994	Keystone Peer Review Organization, Inc. Physician Advisor for Liver Transplantation
-----------	--

2001-Present Medical Care Management Corporation. Medical Care Ombudsman Program

SYMPOSIUMS

Hepatitis C Symposium, Hepatitis C and Liver Transplantation, Yale University School of Medicine, September 18, 1999.

ACADEMIC COMMITTEES

1992 Respiratory Care Committee, Hospital of the University of Pennsylvania
1992 Surgical Intensive Care Unit Arbitration Committee, School of Medicine, University of Pennsylvania
1992 Surgical Intensive Care Quality Committee, School of Medicine, University of Pennsylvania
1993 Hearings List for the Faculty Grievance Committee, School of Medicine, University of Pennsylvania
1993 Admissions Interviewing Committee, School of Medicine, University of Pennsylvania
1994 Dean's Board--Sexual Harassment, Yale University School of Medicine
1994 Budget Committee, Department of Surgery, Yale University School of Medicine
1995 Ambulatory Care Committee, Department of Surgery, Yale University School of Medicine
1996 Transfusion Committee, Yale New-Haven Hospital
1997 Medical Advisory Committee/ General Clinical Research Center, Yale University School of Medicine
1999 American Society Transplantation; Liver & Intra-Abdominal Organs Committee
1999 American Society of Transplant Surgeons; Newsletter Committee
1999 American Society of Transplant Surgeons; Scientific Studies Committee
1998 Society for Critical Care Medicine, Ethics Committee
2001 Scientific Studies Committee
American Society of Transplant Surgeons Program Committee
2001 American Society for Artificial Internal Organs
2002 Credentialing Committee. Yale Medical Group
2003 American Society of Transplant Surgeons-Awards Committee

NATIONAL COMMITTEES

2002 Assistant Medical Director
New England Organ Bank (UNOS Region 1)

GRANT SUPPORT

1991-1992 University of Pennsylvania
"Influenza Vaccination: A Randomized, Double-Blind Study in Kidney, Kidney-Pancreas and Liver Transplant Recipients."
1992-1993 McCabe Foundation Fellowship Award
\$20,000 Principal Investigator
"Prevention of Spontaneous Autoimmune Thyroiditis in the BB Rat with Intrathymic Inoculation of Thymocytes."
1993-1994 Pfizer, Inc.

\$90,000 Principal Investigator
 "Double-Blind Placebo Controlled Study of Fluconazole in the Prevention of Fungal Infections in Patients Undergoing Orthotopic Liver Transplantation."

1993-1994 Sandoz Pharmaceuticals, Sandoz Research Institute
 \$40,000 Co-Investigator
 "Evaluation of the Glomerular Filtration Rate Employing ¹²⁵I-Sodium Iothalamate in Cyclosporine A and Cyclosporin G Treated Renal Transplant Recipients."

1993-1994 National Institutes of Health
 \$200,000 Co-Investigator
 "A Prospective, Randomized, Phase III Trial to Assess the Safety and Efficacy of ATG-Fresenius Versus Orthoclone OKT3 for the Treatment of Steroid Resistant Rejection in Renal Transplant Patients."

1993-1994 Sandoz Pharmaceuticals, Sandoz Research Institute
 \$293,000 Co-Investigator
 "A Multicenter Randomized Comparative Study Comparing Sandimmune Oral Solution and OG 37-325 Oral Solution in the Prevention of Renal Allograft Rejection."

1993-1994 Syntex Research Institute
 \$78,000 Co-Investigator
 "Randomized, Open-Label Comparison Study of RS-61443 (Mycophenolate Mofetil) vs. Intravenous Corticosteroids for Treatment of Refractory Acute Cellular Allograft Rejection in Renal Transplant Recipients."

1993-1994 Syntex Research Institute
 \$150,000 Co-Investigator
 "Randomized, Controlled, Dose Ranging Study of the Safety, Pharmacokinetics, and Efficacy of Intravenous Followed by Oral RS-61443 (Mycophenolate Mofetil) in the Prevention of Acute Rejection in Primary Cadaveric Renal Allograft Recipients."

1995 Yale Liver Center Pilot Project
 \$10,000
 "Impact of human hepatocyte transplantation on in vivo rejection"

1995 Yale Ohse Fund
 \$5,000
 "Evaluation of the Suitability of Procine Hepatocytes for Use in Bioartificial Liver (SYBIOL) Treatments of the Anhepatic Pig"

1996-Present Fujisawa
 \$20,000 Principal Investigator
 "An Open Labeled, Prospective Study of the Effects of Tacrolimus Based Immunosuppressive Regimen on Hypertension and Hyperlipidemia Following Conversion From A Cyclosporine Based Immunosuppressive Regimen in Allogenic Liver Transplant Patients."

PROTOCOLS

- 1999-2000 A Multi-Center Group to Study Acute Liver Failure. V.J. Navarro, S. Moyer and Amy Friedman.
- 1999-2000 A Multicenter Study of the Safety and Efficacy of N-Acetylcysteine in the Treatment of Acute Liver Failure Not Caused by Acetaminophen. V.J. Navarro, S. Moyer and Amy Friedman.
